“Membership at Santa Rosa is perfect for my family,” said Dewayne Youngblood, member at Santa Rosa. “As my family grows, I can introduce my children to golf and pass along that tradition. From the golf course to the beach club, my wife and I enjoy the social activities and friends we have made over the years.”

Two Clubs, One Membership

What makes the club so special and unique is not only its location on scenic Highway 30A but also the affordable benefits. Santa Rosa offers two clubs all in one membership. The beach club is situated alongside the club’s signature restaurant, Vue on 30a, giving members access to a private

pool, spa and beach. The golf club is just across the street, allowing members to practice, play and compete at one of the area's most popular golf courses.

Gulf-Front Dining, Social Events and Tournaments

Awarded "Best Place to Watch a Sunset" by both Visit South Walton voters and Destin Magazine readers, the club's signature restaurant, Vue on 30a is a local favorite. Members receive the added benefit of discounts while dining plus waived room rental fees for usage of the restaurants' terraces, private dining rooms and board room.

Vue on 30a is also home to many of the club's Social Events throughout the year like its upcoming Easter Brunch where executive chef, Giovanni Filippone is planning a spectacular menu for guests. Children can also look forward to an exciting Easter egg hunt on the beach.

Santa Rosa's golf club is always filled full of member play and tournaments like the Annual Men's Member-Guest weekend event this April – the club's premier event. The event is highlighted by competitive golf, great camaraderie, social gatherings, live entertainment and more. Members also enjoy weekly standing tee times for men, ladies and couples.
